Round Table on Międzyodrze 21.11.2018

Pionier Cinema
aleja Wojska Polskiego 2
70-471 Szczecin

Dear Międzyodrze partners,
Ladies and Gentlemen,

We would like to invite You to join us in discussing the future of Międzyodrze, an area of great environmental value and flood protection potential.

Are the two aspects in conflict? Is there a shared approach that would represent the interests and needs of all the stakeholders? In the region of considerable tourist potential that covers Nature 2000 areas, has plans for ensuring safety of the inhabitants and prospective large investments responsible water management is paramount. At the joint Round Table we want to meet „between Odras“ (east and west Odra) in possibly the broadest circle to work out a recommendation for Międzyodrze that is in line with the provisions and objectives of the Water Framework Directive.

The Round Table will take place on 21st of November 2018 in Szczecin, Pionier Cinema at 9:00 a.m.

► Register by 15th of November 2018.

We would particularly like to be joint by self-government and social partners.
